PENALTIES FOR NON-COMPLIANCE OF ELIGIBILITY FOR PLAY RULES

In match play (Numerica Cup) there would be a loss of points by that individual and her partner (USGA Rule 1.2b). The remaining four ball partners of that Numerica Cup team would not be affected. Once the ineligible player becomes eligible she may participate in SAWGA events within the Standing Rules set.
- An ineligible team (Numerica Cup) would result in forfeiture of the match.
- A written warning will be issued to any club failing to remit SAWGA dues and entry fees.

The club(s) under question must abstain and therefore their votes will not be included in the total number of votes cast. Disqualified players or teams may request a hearing with the SAWGA officers if they feel eligibility is incorrect. If not satisfied with the SAWGA officers' decision they may request a hearing before the Executive Board.

COMPETITIONS

NUMERICA CUP RULES

- The format for Numerica Cup will be a four ball match play. USGA Rules of Golf for such format will be followed.
- Four Ball Match – six players (three Teams), with handicap consisting of A/B/C teams.
 - There will be both gross and net scoring.
 - For net scoring, reduce the handicaps of all four players by the handicap of the lowest handicapped player, who shall then play from scratch. Allow each of the three other players 100% of the resulting differences; strokes to be taken in the order assigned on their respective score cards. There shall be a maximum WHS course handicap of 40 and a player must assume a 40 handicap if her course handicap is higher.
 - Each hole is worth one (1) point Gross and one (1) point Net:
 - One (1) for win of hole
 - One-half (1/2) for tie of hole
 - Zero (0) for loss of hole
 - Each match is worth eighteen (18) Gross and eighteen (18) Net points. Total points in a match between two (2) clubs of three (3) side per club will total 54 Gross and 54 Net.
 - Points won in each category are accumulated throughout the year.
 - Clubs not fielding a Numerica Cup team are not eligible to host Numerica Cup events.

NUMERICA CUP FORMAT

- The participating SAWGA Member Clubs shall be divided into two divisions at the fall SAWGA meeting. The teams for Division 1 and 2 will be determined by a draw. Golf balls with each participating member club's logo are randomly drawn by the new incoming President. The first club drawn will be in Division 1, the second club drawn will be in Division 2, alternating until the last club is drawn. The Chair will assign playing matchups according to the Division Draw Format sheet. Host clubs will receive a bye and the schedule adjusted accordingly.
- With this format, the following can occur:
 - Players will be playing to win points for their club.
 - A club can be the winner of the Gross scoring in their division or the Net scoring in their division but not both; gross scoring takes precedence. Winners are determined by accumulating the most points during the five matches in each division.
 - Intra-divisional ties (Gross or Net) must be broken before determining the division winners.
 - The Gross winners in each division will play for the Gross Numerica Cup Championship.
 - The Net winners in each division will play for the Net Numerica Cup Championship.
- Ties within divisions will be played-off prior to the final championship match. There will be an 18-hole playoff by a six member team from the tied clubs. If, after this match, a tie still remains, a sudden death match by the two "A" team members of the opposing clubs will determine the winner. A tie in the Championship Match will follow the same procedure with the 2 "A" team members from the opposing clubs.
- The playoff competition will take place on a neutral course. Location, date and time are to be determined by the Numerica Cup Committee, working with the Sr. Reps from the clubs involved.

NUMERICA CUP LINE-UP

- Each member club's Senior Rep shall be responsible for turning in to the SAWGA Numerica Cup Chair by a pre-specified date, the names of the six eligible players from her club plus the names of up to four alternates, along with the WHS dated Handicap sheet as specified by the SAWGA Numerica Cup Committee. There will be no substitutions after submitting these players and alternates.
- If a member club misses the deadline for submission of its line-up, the following penalties will be imposed:

First Offense: Deduction of 36 points from the club's season points

Second Offense: Deduction of 72 points from the club's season points

Third Offense: Deduction of 108 points from the club's season points

NOTE: After the penalty is assessed, late line-ups will be accepted up to seven days prior to the day of play. If the late line-ups are not received seven days prior to the day of play, the club will forfeit ***BUT MUST STILL PLAY THE MATCHES***. Points earned by the opponent teams will be allowed. Clubs refusing to play forfeited matches will be disqualified for the season. In the event of disqualification of a club, any points earned by opponents against that club will be deducted from the season totals so that the overall standings will not be affected by a disqualification.

- Designated tee times will be given by the SAWGA Numerica Cup Chair to the member clubs in advance of the date of the event to allow the Sr. Rep time to notify the players from her club of their tee times. They will also be posted at www.sawgagolf.com.
