Two door prizes were donated by Dan DiCicco of Liberty Lake Safeway. Fun prizes were donated by Jackie Babin and the last place prizes were donated by Wandermere and Chewelah. Bob Scott, MeadowWood pro, donated all of the range balls. Jackie said that the primary purpose of the tournament was to have fun and that purpose was accomplished. Also, the tournament was able to draw several non-SAWGA players. Some of the things learned included that it was a very fair format, the entry should include the tournament fee and green fees, three flights are feasible, prayer was helpful in regards to weather, and MeadowWood is a nice change for all. Jackie included some proposals for next year that include making the Scramble a permanent SAWGA event, designating a chairperson like we have for Sweeps and Review Cup, continue to have MeadowWood as the tournament course, and have the chairperson design binder information for the chairperson and for club binders as needed. A motion was made to accept these proposals. The motion was seconded and passed by voice vote. It was moved, seconded, and passed by voice vote to designate Jackie Babin as the SAWGA Scramble chairperson.

Jackie Babin presented information from the Review Cup Committee Report in reference to non-compliance of deadline entries. The following changes are recommended to the SAWGA Standing Rules with the new language in italics:

Review Cup Line-Up

#2. Each member club's Review Cup Chairwoman shall be responsible for turning in to the SAWGA Review Cup Chairwoman, *post marked or emailed*, by the pre-specified date, the names of the six (6) eligible players from her club plus the names of two (2) alternates, along with the USGA dated Handicap sheet as specified by the SAWGA Review Cup committee.

#3. *If a member club misses the deadline for submission of its line-up, the following penalties will be imposed:*

First Offense: Deduction of 3 points from the club's season points

Second Offense: Deduction of 6 points from the club's season points

Third Offense: Deduction of 9 points from the club's season points

NOTE: After the penalty is assessed, late line-ups will be accepted up to 7 days prior to the day of play. If the late line-ups are not received 7 days prior to the date of play, the club will forfeit BUT MUST STILL PLAY THE MATCHES. Points earned by opponent teams will be allowed. Clubs refusing to play forfeited matches will be disqualified for the season. In the event of disqualification of a club, any points earned by opponents against that club will be deducted from the season totals so that the overall standings will not be affected by a disqualification.

A motion was made to accept the above changes in regards to the deadline for Review Cup entries. The motion was seconded and passed by a voice vote.

Darcia Waples presented a problem within Sweeps for players with a handicap above 40. Currently, if a player has a handicap above 40 they are not allowed to play in Sweeps. Darcia would like for any player above the 40 handicap to be allowed to play, but said player must assume a 40 handicap in any Sweeps event. A motion was made to allow players with a handicap above 40 to be allowed to play in Sweeps
